

Telegraph Parking Lot for After School Pick Up Procedures

- Prior to 2:30 the Fire Lane will be closed to traffic; a bus will come at 2:30 to transport students from our campus.
- All traffic needs to stay to the far left prior to 2:30 using the "Parking Lot" as the first lane of traffic pulling as far forward as possible.
- We prefer 3rd grade parents use the fire lane so we can learn you face and vehicle for dismissal.
- Students will be dismissed to cars, please don't pull forward until you are signaled to do so.
- One lane of traffic in both parent pick up lines.
